MEADOWGREEN CO-OPERATIVE HOMES INC.

POLICY FOR STORAGE SHEDS

		- A B	AI	71	_
Р	RE	:AI	VH	3L	⊢:

This policy is to establish specific guidelines for members interested in erecting a utility/storage shed. This policy will outline location, specific model number, size and material requirements that will allow members storage space without compromising the appearance of the Co-op.

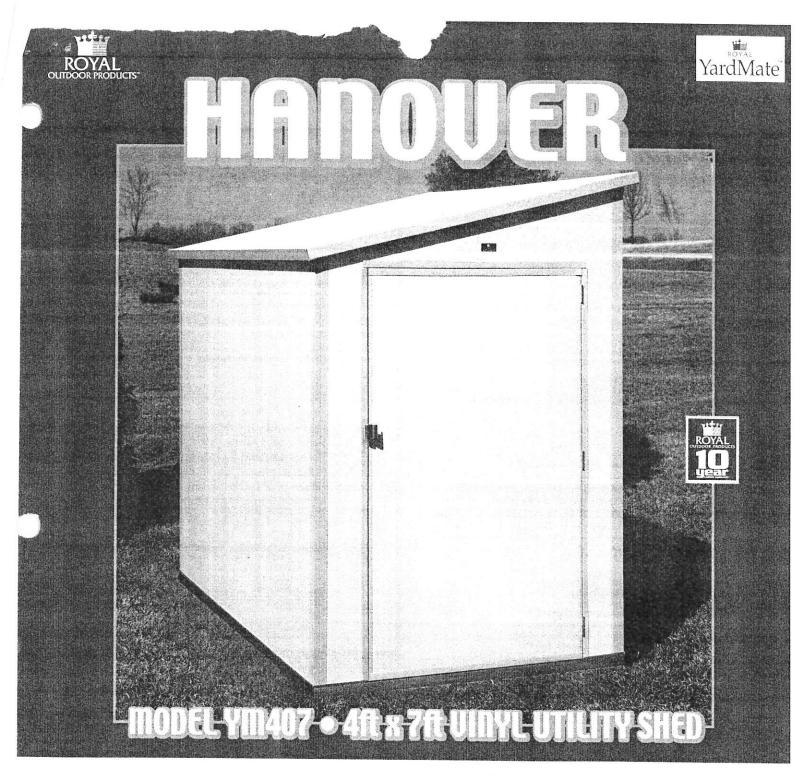

POLICY:

It is the responsibility of each member that is interested in a shed, to purchase, assemble and install a shed that meets the requirements of this policy. The Board of Directors' retain the right to force the removal of any structure that does not meet the requirements of this policy. The Co-op will not be responsible for contents, insurance, maintenance or removal of structures.

Each shed must be Hanover Model YM407 which is made of vinyl and must not exceed 4ft X 7ft dimension. (See attached picture.) Any other models will require the pre approval of the Board of Directors' prior to purchase.

Sheds must be located on the patio in the back yard of the unit. Access to the exterior of the unit, gas lines etc. must not be obstructed by the structure.
